My dear Sir:

I wish to acknowledge with many thanks the receipt of your kind letter of May 25th. I am deeply grieved however to hear of the death of my good friend Mr. Valdes. I was afraid that he must have been very ill because I had not heard from him for such a long time. He had many friends here at this mint, who held him in high esteem.

Under your able management I am sure that the Mint of Mexico willcarry on its fine work as usual.I Look forward with pleasure to continuing with the exchange of ideas relative to out mutual problems in the minting of money.

I wish to take this occasion to thank you for sending me a copy of your annual report for 1937.

With kindest regards, I am,
